style from britain

The closer relationship between our country and Britain is causing more emphasis to be placed on fashions from this traditional fount. For a while, the westward currents were slowed up, but now the influence is increasing, reflecting English enterprise and American good will.

Our merchandise is imported from Britain wherever possible.

The above style is an exclusive feature with us in men's tailored clothing.

CONSULT US RE YOUR CLOTHING PROBLEMS.

- CAUTION -

Pay no money in advance to Directory Canvassers.

We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of Vernon Directories Limited printed thereon. **We ask no payment until the work is delivered, and our solicitors have strict orders not to take payment in advance for either advertising or subscriptions.**
